Federal Seized Assets (DOJ) accounts for asset forfeitures from federal cases filed with the U.S. Department of Justice (DOJ) through its asset forfeiture program and **Federal Seized Assets (Treasury)** accounts for asset forfeitures from cases filed with the U.S. Department of Treasury. Receipts from this program are required to be maintained in separate funds and must not replace existing funds that would be made available to the Sheriff/Coroner/Public Administrator in the absence of forfeiture funds.

State Seized Assets accounts for asset forfeiture proceeds from cases filed and adjudicated under state asset seizure statutes. The California Health and Safety Code 11489 (b)(2)(A)(i) requires these funds be maintained in a special revenue fund. Fifteen percent (15%) of all forfeitures received after January 1994 are set aside for drug education and gang intervention programs. The 15% allocated to drug education programs is used to fund the Sheriff/Coroner/Public Administrator's Drug Use is Life Abuse (DUILA) program, Crime-Free Multi-Housing, Law Enforcement Internship and Operation Clean Sweep Programs. Funds are also used for maintenance of seized properties. Services for the drug education program are provided by staff budgeted in the Sheriff/Coroner/Public Administrator's general fund budget unit, and reimbursed by this budget unit.

San Bernardino County Auto Theft Task Force (SANCATT), established by the Board of Supervisors in 1995, deters, investigates and prosecutes vehicle theft organizations and provides statistical and financial reports to the State Controller and California Highway Patrol as required by AB767. This budget unit accounts for vehicle registration assessments, per Vehicle Code 9250.14, and are expended exclusively to fund programs that enhance law enforcement efforts to deter and investigate vehicle theft crimes. Expenditures for SANCATT personnel are transferred to the Sheriff/Coroner/Public Administrator's general fund budget unit. In addition, funds offset operating expenses for qualified expenditures by participating agencies.

CAL-ID Program funding is used for the operating expenses of the Local Automated Fingerprint Identification System (AFIS) and reimburses general fund expenditures for salaries and benefits. The budget unit is funded from joint trust contributions by all local contracting municipal agencies and vehicle registration fees per Vehicle Code (VC) 9520.19. Staffing costs for positions assigned to the CAL-ID program are transferred to the Sheriff/Coroner/Public Administrator's general fund budget unit.

Court Services Auto accounts for processing court fees collected under AB1109, which are used to supplement the County's cost for vehicle fleet replacement and equipment, maintenance, and civil process operations associated with court services.

Court Services Tech accounts for processing court fees collected under AB709, which are used for automated equipment necessary to operate court services.

In accordance with State legislation (AB1805) effective July 1, 2007, **Local Detention Facility Revenue** accounts for an allocation of funds from the State replacing booking fees previously charged by the County to cities and local entities, as permitted by Government Code Section 29550. Funds are required to be used for the purpose of operating, renovating, remodeling, or constructing local detention facilities.

In order to comply with federal guidelines, the Department does not budget anticipated revenues in this budget unit.

Fund balance will be used for law enforcement operations and equipment, transfers to other law enforcement agencies, and overtime for personnel involved in law enforcement operations, all of which can be reduced as needed dependent on the amount of fund balance available.

IRNET State: Requirements of \$160,070 are budgeted to pay for various one-time law enforcement operations and ongoing drug and gang programs. Sources of \$61,000 include anticipated state asset forfeiture funds and projected interest earnings. Reimbursements of \$1.0 million are from the County's share of federal asset forfeitures. Sources of \$30,000 include projected interest earnings on the current fund balance. In order to comply with Federal guidelines, the Department does not budget anticipated revenues.

Departmental fund balance will be used to support law enforcement operations and investigations along with training and education. In addition, the fund balance will be used for law enforcement equipment, transfers to other law enforcement agencies and overtime for personnel involved in law enforcement operations. State Seized Assets: Requirements of \$3.2 million primarily include \$1.2 million in operating expenses that support continuous law enforcement investigation activity. In addition, a portion of operating expenses will provide for a transfer to the Sheriff/Coroner/Public Administrator's general fund budget unit for officer overtime and salaries. Furthermore, requirements of \$60,000 will fund vehicle purchases along with \$1.9 million for departmental Capital Improvement Program (CIP) projects. Sources of \$903,725 primarily represent anticipated state asset seizures and projected interest earnings. State forfeited funds are distributed to the local law enforcement agency that participated in the seizure. Fifteen percent of these funds will be deposited in a special fund maintained by the seizing agency to fund programs designed to combat drug abuse and reduce gang activity.

Fund balance will be used for law enforcement operations and education, which can be reduced as necessary dependent on the availability of fund balance.

San Bernardino County Auto Theft Task Force (SANCATT): Requirements of \$888,317 include \$948,225 in operating expenses, which are offset by \$59,908 in reimbursements. Requirements include contributions to non-county participating task force agencies and a transfer to the Sheriff/Coroner/Public Administrator's general fund budget unit to support the cost of 4 positions. The District Attorney Department is reimbursing \$59,908 to SANCATT for the cost of one of these positions. Sources of \$862,670 primarily represent vehicle registration fees and projected interest earnings.

Of the \$188,047 of fund balance, \$162,400 is being placed in Available Reserves at this time, but will eventually be used to support one-time costs associated with the operations of SANCATT as permitted by Vehicle Code Section 9240.14. The remaining \$25,647 will also be used to fund one-time costs of operations.

CAL-ID Program: Requirements of \$4.8 million primarily include \$4.5 million in operating expenses, which support communications, maintenance agreements for equipment, and travel and training. In addition, requirements in operating expenses include transfers to the Sheriff/Coroner/Public Administrator's general fund budget unit for staffing costs of 39 personnel assigned to this program. The **Aviation, Public Gathering, and Capital Projects Fund** budget units fund balance were transferred into the Department's general fund budget unit in 2014-15. All funds were deactivated as required per GASB 34. The **Search and Rescue** fund balance was expended in full and will be deactivated. The **Contract Training** budget unit remains active. The Department has earmarked funds within this budget unit for CIPs at the Department's training facilities that are underway. Therefore, the Department cannot close the budget unit until the projects are complete.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$9.8 million, resulting primarily from the following changes:

- \$5.2 million reduction in Capital Expenditures as a result of the Department being unable to budget anticipated federal asset forfeiture revenues as it has done in previous years. This change is necessary in order to comply with federal guidelines. In 2014-15, the Department purchased unmarked vehicles, a law enforcement aircraft, and a jail bus, which it no longer has budgeted in 2015-16. Upon receipt of actual revenue in the Department's Federal Seized Assets - DOJ budget unit, it is likely that the Department will return to the Board of Supervisors in a future quarterly budget report to partially restore its Capital Expenditure budget.
- Operating Transfers Out are decreasing by \$3.0 million due to several one-time CIPs moving forward in 2014-15. This includes reductions in the Department's Contract Training and State Seized Assets budget units.

Sources are decreasing a net \$5.6 million due to the fact that the Department cannot budget anticipated federal asset forfeiture revenues. The Equitable Sharing Program Guidelines for federal asset forfeitures does not allow local agencies to budget anticipated asset forfeiture revenues. To remain in compliance with the program guidelines, the Department will not budget any revenues for the **IRNET Federal** and **Federal Seized Assets (DOJ)** budget units. In addition, there was a slight decrease in funding for the CAL-ID Program, which will not impact operations.

ANALYSIS OF FUND BALANCE

Historically, the Department has used fund balance for one-time law enforcement expenditures. This is standard practice for the Department. Such one-time expenditures have included various detention facility and training academy improvements, law enforcement equipment and vehicle purchases, and support of the expansion and relocation of the County's Aviation Unit.

Various laws and program guidelines governing the special revenue funds require the use of the fund balance generally to supplement law enforcement operations as well as to purchase various law enforcement vehicles and equipment. Additionally, the Department uses fund balance for overtime salaries of officers involved in law enforcement investigations as permitted by federal asset forfeiture program guidelines.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing within these budget units.
